## Local Company Wins Award for Westlake Village Landscape Garden Design

The California Landscape Contractors Association (CLCA) presented its annual Trophy Awards ceremony in Kona, Hawaii. The awards recognized California's most beautiful and technologically advanced installations of landscapes and water gardens. The judges singled out the Brann Residence of Westlake Village to receive the 2008 President's Award

for the Best Residential Landscape Design from nearly 200 other project submissions from all over California.

Mike Glick, President of Stone Creek LandWorks, remarked that the owners

originally asked the firm to repair concrete around their pool, but after viewing the firm's projects, they requested that Stone Creek remodel their entire residence.

Stone Creek LandWorks, designs, builds and maintains signature landscapes, pools, spas and water features for retail, commercial and residential projects throughout California including: the Promenade at Westlake, The Commons at Calabasas and the Janss Marketplace. Stone Creek includes well over 40 accomplished professionals, each capable of handling complex projects and committed to delivering high-quality work.
